

Student Affairs Office- IITP

(Website frontend design description)

The [Student Affairs Office Website](#) is a responsive platform developed for IIT Patna to provide students with easy access to welfare services, resources, initiatives, and campus information.

The website includes sections such as Home, About, Vision & Mission, Key Responsibilities, Student Welfare, and Major Initiatives, highlighting the office's role in supporting student development, well-being, and campus engagement.

A Photo Gallery showcases campus facilities, events, and activities, while the Meet the Team section provides information about key office members and their contact details. Additional pages and navigation components ensure smooth access to important information across the website.

The Resources & Support section offers quick access to scholarships, counselling services, student clubs, hostel information, forms, emergency contacts, and FAQs. A dedicated footer provides quick links, contact information, and useful resources for students.

The project also features a CMS Login Interface and Dashboard Prototype, demonstrating how administrators can manage gallery content, team details, and student resources through a structured interface. The website is fully responsive and designed using modern web development practices for an improved user experience.

Technologies Used

- HTML
- CSS
- Bootstrap
- Vercel

Key Features

- Fully Responsive Design
- Student Affairs Information Portal
- Vision, Mission, and Focus Areas
- Interactive Key Responsibilities Section
- Student Welfare Information
- Major Initiatives Showcase
- Dedicated Photo Gallery
- Team Directory
- Resources & Support Hub
- FAQ Section
- CMS Login Interface
- CMS Dashboard Prototype
- GitHub Integration and Live Deployment

Important Notes

Content Management System.

The CMS section included in this project is currently a frontend prototype designed to demonstrate the intended user interface and workflow. It showcases the layout, dashboard structure, and navigation elements that could be used in a fully functional content management system.

At this stage:

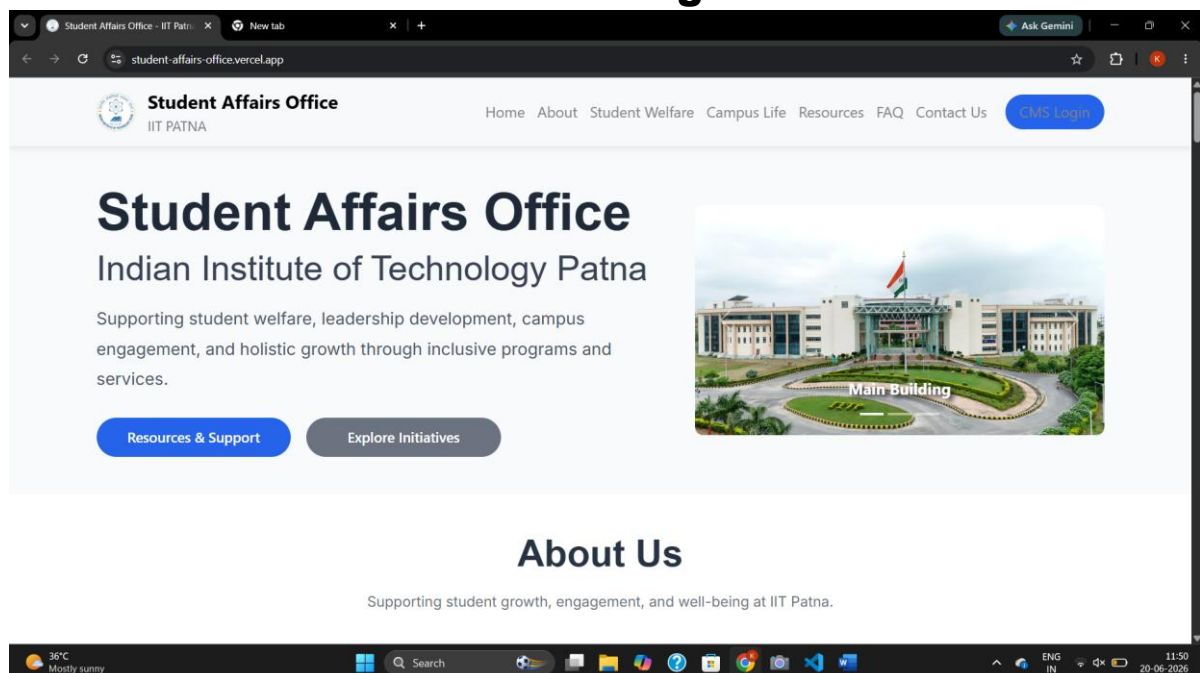

- The CMS does not include backend integration or database connectivity.
- User authentication has not been implemented.
- Content editing, storage, and retrieval functionalities are not yet active.
- The dashboard interface is provided for demonstration purposes only.

To access the CMS prototype:

1. Open the main website.
2. Click the **"CMS Login"** button available in the navigation bar.
3. You will be redirected to the login page.
4. Click the **"Login"** button without entering any credentials.
5. This will open the CMS dashboard prototype.

Home Page

Major Initiatives

The screenshot displays the 'Major Initiatives' page of the Student Affairs Office at IIT Patna. The page features a navigation bar with links to Home, About, Student Welfare, Campus Life, Resources, FAQ, and Contact Us, along with a CMS Login button. The main heading is 'Major Initiatives', followed by a subheading: 'Key programs and initiatives aimed at fostering student growth, well-being, leadership, and campus engagement.' Below this, the 'Student Leadership Development' section is highlighted, describing various programs like workshops, student councils, and mentorship. A photograph shows a large group of students in white and blue uniforms seated in a hall. At the bottom, a video player displays a 'Mental Health Awareness' session.

Student Leadership Development

The Student Affairs Office encourages leadership and teamwork through workshops, student councils, mentorship programs, and various student-led initiatives. These opportunities help students build confidence, communication skills, and organizational abilities.

FAQ section

The screenshot shows the 'Frequently Asked Questions' page of the Student Affairs Office at IIT Patna. The page has the same navigation bar as the previous section. The main heading is 'Frequently Asked Questions', with a subheading: 'Quick answers to help students access information and services provided by the Student Affairs Office.' A list of five questions is presented, with the third question, 'Are counselling and mental health support services available?', selected and expanded. The answer states that the institute provides access to counselling and wellness support services to help students manage academic, personal, and emotional challenges. The other questions are collapsed.

Frequently Asked Questions

Quick answers to help students access information and services provided by the Student Affairs Office.

1. What services are provided by the Student Affairs Office?
2. How can I apply for financial assistance or scholarships?
3. Are counselling and mental health support services available?
Yes. The institute provides access to counselling and wellness support services to help students manage academic, personal, and emotional challenges. Students may contact the Student Affairs Office for guidance and appointment details.
4. What role does the Student Affairs Office play in enhancing campus life?
5. What initiatives promote student well-being on campus?

Footer and Contact

The screenshot shows the footer and contact section of the Student Affairs Office IIT Patna website. The header includes the office name, navigation links (Home, About, Student Welfare, Campus Life, Resources, FAQ, Contact Us), and a CMS Login button. Below the header, there are two expandable sections with questions: "4. What role does the Student Affairs Office play in enhancing campus life?" and "5. What initiatives promote student well-being on campus?". The footer section is divided into four columns: "Student Affairs Office" with the IIT Patna logo and address, "Follow Us" with social media icons, "Quick Links" with a list of site pages, "Resources" with a list of documents, and "Contact" with email, phone, and address information, along with a map of the location. CMS Login Page

The screenshot shows the CMS Login page for the Student Affairs Office IIT Patna. The page features a central white login card on a light blue background. The card contains the IIT Patna logo, the title "CMS Login", and the subtitle "Student Affairs Office, IIT Patna". Below this, there are two input fields: "Email Address" with a placeholder "Enter email" and "Password" with a placeholder "Enter password". A blue "Login to CMS" button is positioned below the password field. A link for "Forgot Password?" is located below the login button. The copyright notice "© 2025 Student Affairs Office, IIT Patna" is at the bottom of the card. The browser's address bar shows the URL "student-affairs-office.vercel.app/cms_login.html".

The screenshot shows a web browser window displaying the 'Student Affairs Office' Content Management System. The page has a dark header with navigation links: 'Dashboard', 'Gallery', 'Team', 'Resources', and 'Main Website'. The main content area features three large white cards with blue icons and text: 'Gallery Images' with 12 total images, 'Team Members' with 4 profiles, and 'Resources' with 8 student resources. Below these is a 'Gallery Management' section with a '+ Upload Image' button. The browser's address bar shows the URL 'student-affairs-office.vercel.app/cms.html'. The system tray at the bottom indicates a temperature of 36°C and a date of 20-06-2026.
